## ABOUT SAAM

April is Sexual Assault Awareness Month (SAAM) in the United States. The goal of SAAM is to raise public awareness about sexual violence and to educate communities on how to prevent it. This year marks 25 years of SAAM. For 25 years, SAAM has united survivors advocates, & communities in the shared commitment to end sexual assault, abuse, & harassment. Thank you for getting involved and for supporting SAAM efforts.

Sexual violence is a major public health, human rights and social justice issue. We need everyone's help to end it.

Visit NSVRC for more information.
